

"ENJOYING A FUNERAL!"

"Father God, because of the death and resurrection of Jesus Christ, Your children can, by faith in what Jesus said and did, come and communicate with You right this second by humbly confessing our sins to You:

Father God, thank You for Jesus Christ, the ONLY WAY out of this evil world into Your Holy presence!

We praise You for not only allowing Your Son to come and pay our death debt to You, but for giving us a text book---Your Holy Word---that recorded many of the things Jesus thought, said, and did---all of which reveal to us HOW MUCH YOU LOVE US!

Thank You for giving us a Spiritual Teacher that can connect with our spirit and teach us the truth as we daily walk about in a deceived world filled with smoke screens, mirrors, and lies---a land now being influenced and led by many who are masters at using deceit because they themselves have been masterfully deceived.

Father, there are still a few of us begging You for mercy and grace for both our own failures and the failures of our country!

We pray in Jesus' Name!"

Jesus Café, despite our trials and tribulations, we are blessed today to be able to open our eyes and see, read, hear, walk and talk. We have some food, a roof, and most of all, we have an eternal HOME waiting for us when we leave this world.

YES LORD!

Let us right now do the primary thing God designed and placed us here to do, and that is PRAISE HIM right in the middle of Satan's back yard (sadly, so many don't understand that one simple truth).

All day when we see another blessing from God, let's stop for a second and praise our Father! As I say so many times, it takes the same amount of time energy and effort to praise God as it does to criticize someone else (we have too many complainers, blamers, gripers and swipers wearing Christian jerseys---and they really through cold water on a lot of struggling spirits).

I was reading Daddy's Love Letter a few minutes ago and came upon this Scripture and it struck me---

"HE'S TALKING 'BOUT ME!"

Now I can choose to take it or leave it; so right now I am picturing myself sitting in Father's lap and He is looking straight into my eyes telling me the following God News (picture yourself sitting here with me).

Rom 15:11- "Praise Me, Bobby Gentile! Sing me a praise song, My child! (I just stopped and sang out loud to Him "*Praise God from whom all blessings flow*"---etc. and ya know what? I might have got a standing ovation from a ONE MAN AUDIENCE. He's all that counts!!)

"Bobby, tell all of your family to do the same thing!"

Recall that Isaiah said, 'The Root of Jesse (Jesus Christ) will spring up, One who will arise to rule over the nations; the Gentiles (non Jews) will hope in Him.'

Put your hope in Me to fill you to overflowing levels with My joy and peace as you, moment by moment, Trust in Me! Only as you trust in ME and the joy that I give will your joy flow out and infect others by way of My Holy Spirit!"

Jesus Café, this afternoon I just witnessed (again) another great example of the real power of the real JOY OF GOD. I sat in a pew at Kimbrell-Stern Funeral home right next to my close friend Eddie Carswell and watched God show out.

Yes sir, I sat and witnessed God moving as only God could have done, speaking to and through my other best "Eddie buddy"---Eddie Middleton---as he...

PREACHED HIS OWN MOTHER'S FUNERAL!

Yall, after Eddie sang The Lord's Prayer (as only Eddie Middleton could have done---NO MUSIC), years and tears of memories flooded my soul as Eddie talked about "old times that God has all forgotten!" (thank God!)

Eddie C, Eddie M and me---man, talk about testing God's patience and grace!
We did all we could as long as we could with those we shouldn't and God still
wouldn't quit loving us.

Now that I think about it, no wonder we love to write, sing and talk about
JESUS! Hey, add ole Stan Glass to that list too because he was our piano-
organ player-singer who claims he out sinned all of us. Yet, today Stan is
doing the same thing we three are and that is doing his dead level best to
tell as many as possible about the Gospel of Jesus Christ.

Yall, without knowing and loving Jesus like he does, Middleton could NOT
have done it. In fact, he would not have done it! But with God, he knocked it
out of the ball park.

Eddie M and Eddie C---I love and appreciate your music and heart for Jesus!

Jesus Café, please continue to pray for all four of us as we continue to try
to daily walk into this lifeless world and show'm the source and force of
REAL LIFE---REAL LOVE---REAL MUSIC!

GOD spared and saved 4 fools from "the night life plan"---
so we could try to show people the RIGHT LIFE MAN!

1 Cor 1:20- Where is the wise man? Where is the scholar? Where is the
philosopher of this age? Has not God made foolish the wisdom of the world?
21 For since in the wisdom of God the world through its wisdom did not know
him, God was pleased through the foolishness of what was preached to save
those who believe. 22 Jews demand miraculous signs and Greeks look for
wisdom, 23 but we preach Christ crucified: a stumbling block to Jews and
foolishness to Gentiles, 24 but to those whom God has called, both Jews and
Greeks, Christ the power of God and the wisdom of God. 25 For the
foolishness of God is wiser than man's wisdom, and the weakness of God is
stronger than man's strength.

Christians, now is the time for all of us who have seen a real glimpse of His
glory to DAILY go into a much lied to world that is so awe struck by the 'get
more philosophy' offered to them by world leaders who themselves have
been drawn into the Satanic net of evil---

AND JUST LOVE THEM TO DEATH!

But we have to TELL THEM ABOUT JESUS IN THE PROCESS!!

Right now is the best time in our lives to reveal to lost souls living all around us, who are laughing and partying their way into a 6 foot hole in the ground that is but a trap door to THE LAKE OF FIRE.

And that ain't funny!
HELL? NO!!!
